**@TMSAlvechurch**

## **Guest Performers:**

Children from Year 4 Crown Meadow First School and Nursery are delighted to be performing in two village events this year. They are keen to raise the roof and set the festive spirit alive with their songs which will warm hearts. Their last 'normal' school year (due to Covid) was when they were in Year 1, so they are keen to share their love of singing with you all and to re-connect with their local community, giving back with grateful thanks for the support given to our school.

Translucent Dance Studio is based in the centre of Worcester. Offering exceptional dance training in a fun and friendly environment for children and adults in a wide variety of dance styles. **translucentdancestudio.co.uk**
